# 2026 MIDWEST MASONRY DESIGN SUMMIT

## Innovation & Sustainability in Structural Masonry Design

**Experience the future of masonry at the 2026 Midwest Masonry Design Summit.**

This two-day event brings together structural design professionals and industry leaders for immersive learning, hands-on activities, and collaborative discussions centered on innovation and sustainability. Engage with new ideas, connect with peers, and discover how masonry continues to shape impactful, resilient design.

**EARN UP TO 8  
AIA/CES HSW  
OR PDH CREDITS**
