Barbagallo's
6344 Molloy Rd. East Syracuse, NY 13057

11:00AM - 12:30PM | Fact from Fiction: Busting Masonry Myths

Presenter: Brian Trimble, PE, CDT, LEED AP - IMI | 1 AIA/CES HSW credit

Learning Objectives:

- Explore myths about masonry design and construction and how to avoid them on your project.
- Implement cost savings elements on projects.
- Avoid designing movement joints using old empirical rules of thumb and use more efficient analytical methods instead.
- Incorporate appropriate testing and inspection requirements on projects for both masonry and mortar.

12:30PM - 1:00PM | Lunch Break

1:00PM - 1:30PM | Delegated Design for Structural CMU

Presenter: Jamie Davis, PE, LEED AP - Ryan Biggs Clark Davis

1:30PM - 2:30PM | Roundtable Discussion Busting Masonry Myths

Moderator: Brian Trimble, PE, CDT, LEED AP - IMI | 1 AIA/CES HSW credit

Panel Members:

Mike Palmer - Remlap Construction, Inc.

David Biggs, PE, SE - Biggs Consulting Engineering

Craig Dailey, AIA, LEP - LaBella Associates
